Pansies

Synopsis

Loved for their smiling "faces," pansies brighten the early spring garden with their cheerful demeanors and brightly colored petals. This delightful collection of pansy photographs, introduced by a brief essay defining the flower's quirky appeal, is sure to please all those for whom spring just isn't complete without a plot of pansies.

Customer Reviews

This picture book of pansies is gorgeous. I am a huge pansy fan & found this book while visiting Sundance Farm's Gift shop in Sundance Utah. It goes great with the rest of my collection. It is bright, colorfull, and has such unique arrangements of pansies in it. Great coffee table book that will brighten any room.

I bought this book as a gift for a friend who absolutely loves pansies. Every time I talk with her she thanks me for this book -- she loves to just sit down and page through this book admiring the beautiful works of nature. She is one happy little camper. I'm glad I found it!

A beautiful "coffee table book". I use it as reference material for my lovely porcelain paintings. The detail shown is fabulous!
