Customer Reviews

It is little, which I was not expecting for some reason. My Grandmother-in-law used to be called the Little Hungarian cook and I thought it would be recipes from someone like her, LOL! But it's cute, as described and received in a reasonable time. Needed more classic recipes.

"Hungarian cuisine is renowned for its plentiful use of paprika. This charming volume presents a collection of classic Hungarian recipes, as well as a few wise words regarding the use of paprika. Paprika Chicken, Sweet and Sour Cabbage, Pickled Cucumbers, Sweet Dumplings and Apple Strudel. Each recipe is accompanied by a lovely full-color illustration." 60 pp.

Five stars for presentation. Darling little book that makes you wish there was more in it. (4"x5") Great for a small gift. It has some of the best known Hungarian recipes.
